

1- Mrs. Susan R. Zalkel; RECEIVED July 13, 2007

Concerning your letter marked on are about July 2, 2007 Case # 1:07-cv-00455 MEF Jaffery W. Calhoun vs. William Banks of Dothan Police Dept. If you will look Back into the Record you will find that in the Statements of the officers from Dothan Police Dept. made. That they sent you 3 Armate Request forms, and said under oath that there were not anymore which I am sending Request Slip Dated Back to the month of my Arrest to show Disputant; Fact #1 The officer's lied under oath, The Fact of Perjury, Read Statement's and Read Request I'm sending you. Fact #2 look at the Photos on the left side of my face. you will see a Dark Spot in the Corner of my left eye area. That's were the Prong hit me between there and left temple. There are two Prong holes there smaller than the letter I. Like the others holes I have from the others Tazzer Gun's to prove there lying again, about how many Tazzer's gun's were used. I have a shirt and pants with Tazzer Gun holes with D.N.A. Blood stain's that will match the holes in My Body to prove there lying. But they will not Release them to me to send to you. I've tried for two week's.

The Sheriff: Andy Hughes, and Comm: Keith Reed
 Use to work with these officers at Oathor
 Police Dept. Therefore he's told his officers here
 at the County not to give me anything and
 threatened if I wrote another Request that
 I would receive a write-up and go to
 Seg. lock-up. Therefore that's a Act of
 Conspiracy on these two officials. Also my wife
 has been in a round about way treated by D.P.D.
 official's she now want write a Statement because
 she's on a Pre-Trial Diversion Sentence. I also
 have witnesses that saw and heard me ask for
 Medical Attention at Litchfield Women's Prison.
 But they want give me information on that.

The only other Comments I have, is that I
 Demand Justice, and that this legal matter
 will be justified. These officers will not go
 around Violating their Badges and get away
 with it! So either you can help me, or I
 will find somebody who can. but this
 Corruption will not be tolerated. I live with
 this everyday because of these Police Brutality.

Thank you for your time

Sincerely

Jeffery W. Calhoun

NATURE OF GRIEVANCE OR INFORMATION: I was refuse medical attention because I didn't have any money on the books. I only told the staff this once I wrote the request. So far they have not did charge against my book/fund's & I got some money in some money because I got nothing from them, but a run around. So you want to take me to a Emergency Room there I can get me some help. And a body chart where I was tagged in my head, or temple on that side. Because my ear don't work anymore.

WHAT DO YOU WANT TO HAPPEN TO SOLVE IT? I want a Body-Chart where I was tagged in my Head the night I got arrested. Before I told them there at the Clinic it sounded like a explosive went off in my Head. (1) I don't think I should be charged for the trip to the Emergency Room because I told them I didn't have money on the books. And I didn't get know help (3) I need to see a real Doctor and find out why my ear don't work anymore. And a copy of my request. And a copy of this form's answer. And I need Mr. Gause contacted to make sure the body-Chart shows all the tags I got. To my Head and body. Because there's something wrong with this picture, and everybody that's it's sure I want to be done.
